This Photostat has no classification on it and therefore the contents of the telegram were paraphrased in the enclosed report.

The pretext telephone call on 8/15/58, was made by SA THOMAS J. BARRY under the pretext of prospective employment.

All investigation at New York University was conducted by IC JAMES A. CLEARY.

Examination of instant case file reflects several dissemination memos regarding reports by former NY 1535-S on LYL activities among NYC college students. Former NY 1535-S reported the name "MARTY" of NYU as attending several functions.

On 8/4/58, the Cleveland Division was requested to contact former NY 1535-S and display a photograph of subject to this former informant to ascertain if "MARTY" of NYU was identical to subject.

On 8/8/58, the Cleveland Division forwarded the NYO request to Philadelphia where former NY 1535-S was last known to have resided.
